

# **Warning: You Are On Video Surveillance**

**by Dana Smith**

**San Francisco, California, USA**

**2017**

A unique book that combines digital photo montage and painting. Utilizing cast off prints from a previous edition called, *Dana's Tours: The Mission Miracle Mile Revisited*, Dana has found another way to convey a radically subjective sense of the Mission Street experience using the subtly expressive qualities of painting.

## DANA SMITH INFO

In 2004 Dana Smith founded a fine arts digital press for the purpose of creating limited edition artwork. The project is called Dana Dana Dana and can be seen in its entirety online at [www.danadanadana.com](http://www.danadanadana.com). Very small edition, hand-made books have been the focus with an emphasis on working collaboratively with other artists. The books and print editions are represented by Booklyn Artists Collective, Brooklyn, New York, and have traveled to fairs and exhibitions world wide, and are housed in libraries and private collections internationally.
